

## VINNIES YOUTH PLEDGE

As a member of Vinnies Youth I promise to make a difference in my world by:

Caring for, respecting and loving myself.

Strengthening my friendship with Jesus by praying each day and understanding his compassion for those in need.

Caring for others in my school and social community by befriending those who are alone, needy or in trouble.

Contributing to the happiness of my family by my willing help, respect, consideration, joy and kindness.

Caring for, appreciating, enjoying and nurturing God's creation – the environment.

Treating others the way I would like them to treat me.
